# Introducing Awfis Gold

- Awfis Gold is our premium workspace offering which brings a global design aesthetic to create a world-class work environment that still delivers value at its core.
- It is strategically positioned to offer an affordably luxurious product in Grade A buildings and locations.
- The awfis expertise in managing office spaces coupled with our understanding of commercial real estate and customer-focused approach ensure that Gold delivers an unparalleled work experience in the premium segment.

**With Awfis Gold, we bring you a space that is luxurious yet attainable, elegant yet warm and offers the best value in the premium workspace segment.**

# Gold Design Philosophy

The Awfis Gold design is urbane, minimalistic and at the same time interwoven with the Indian cultural fabric.

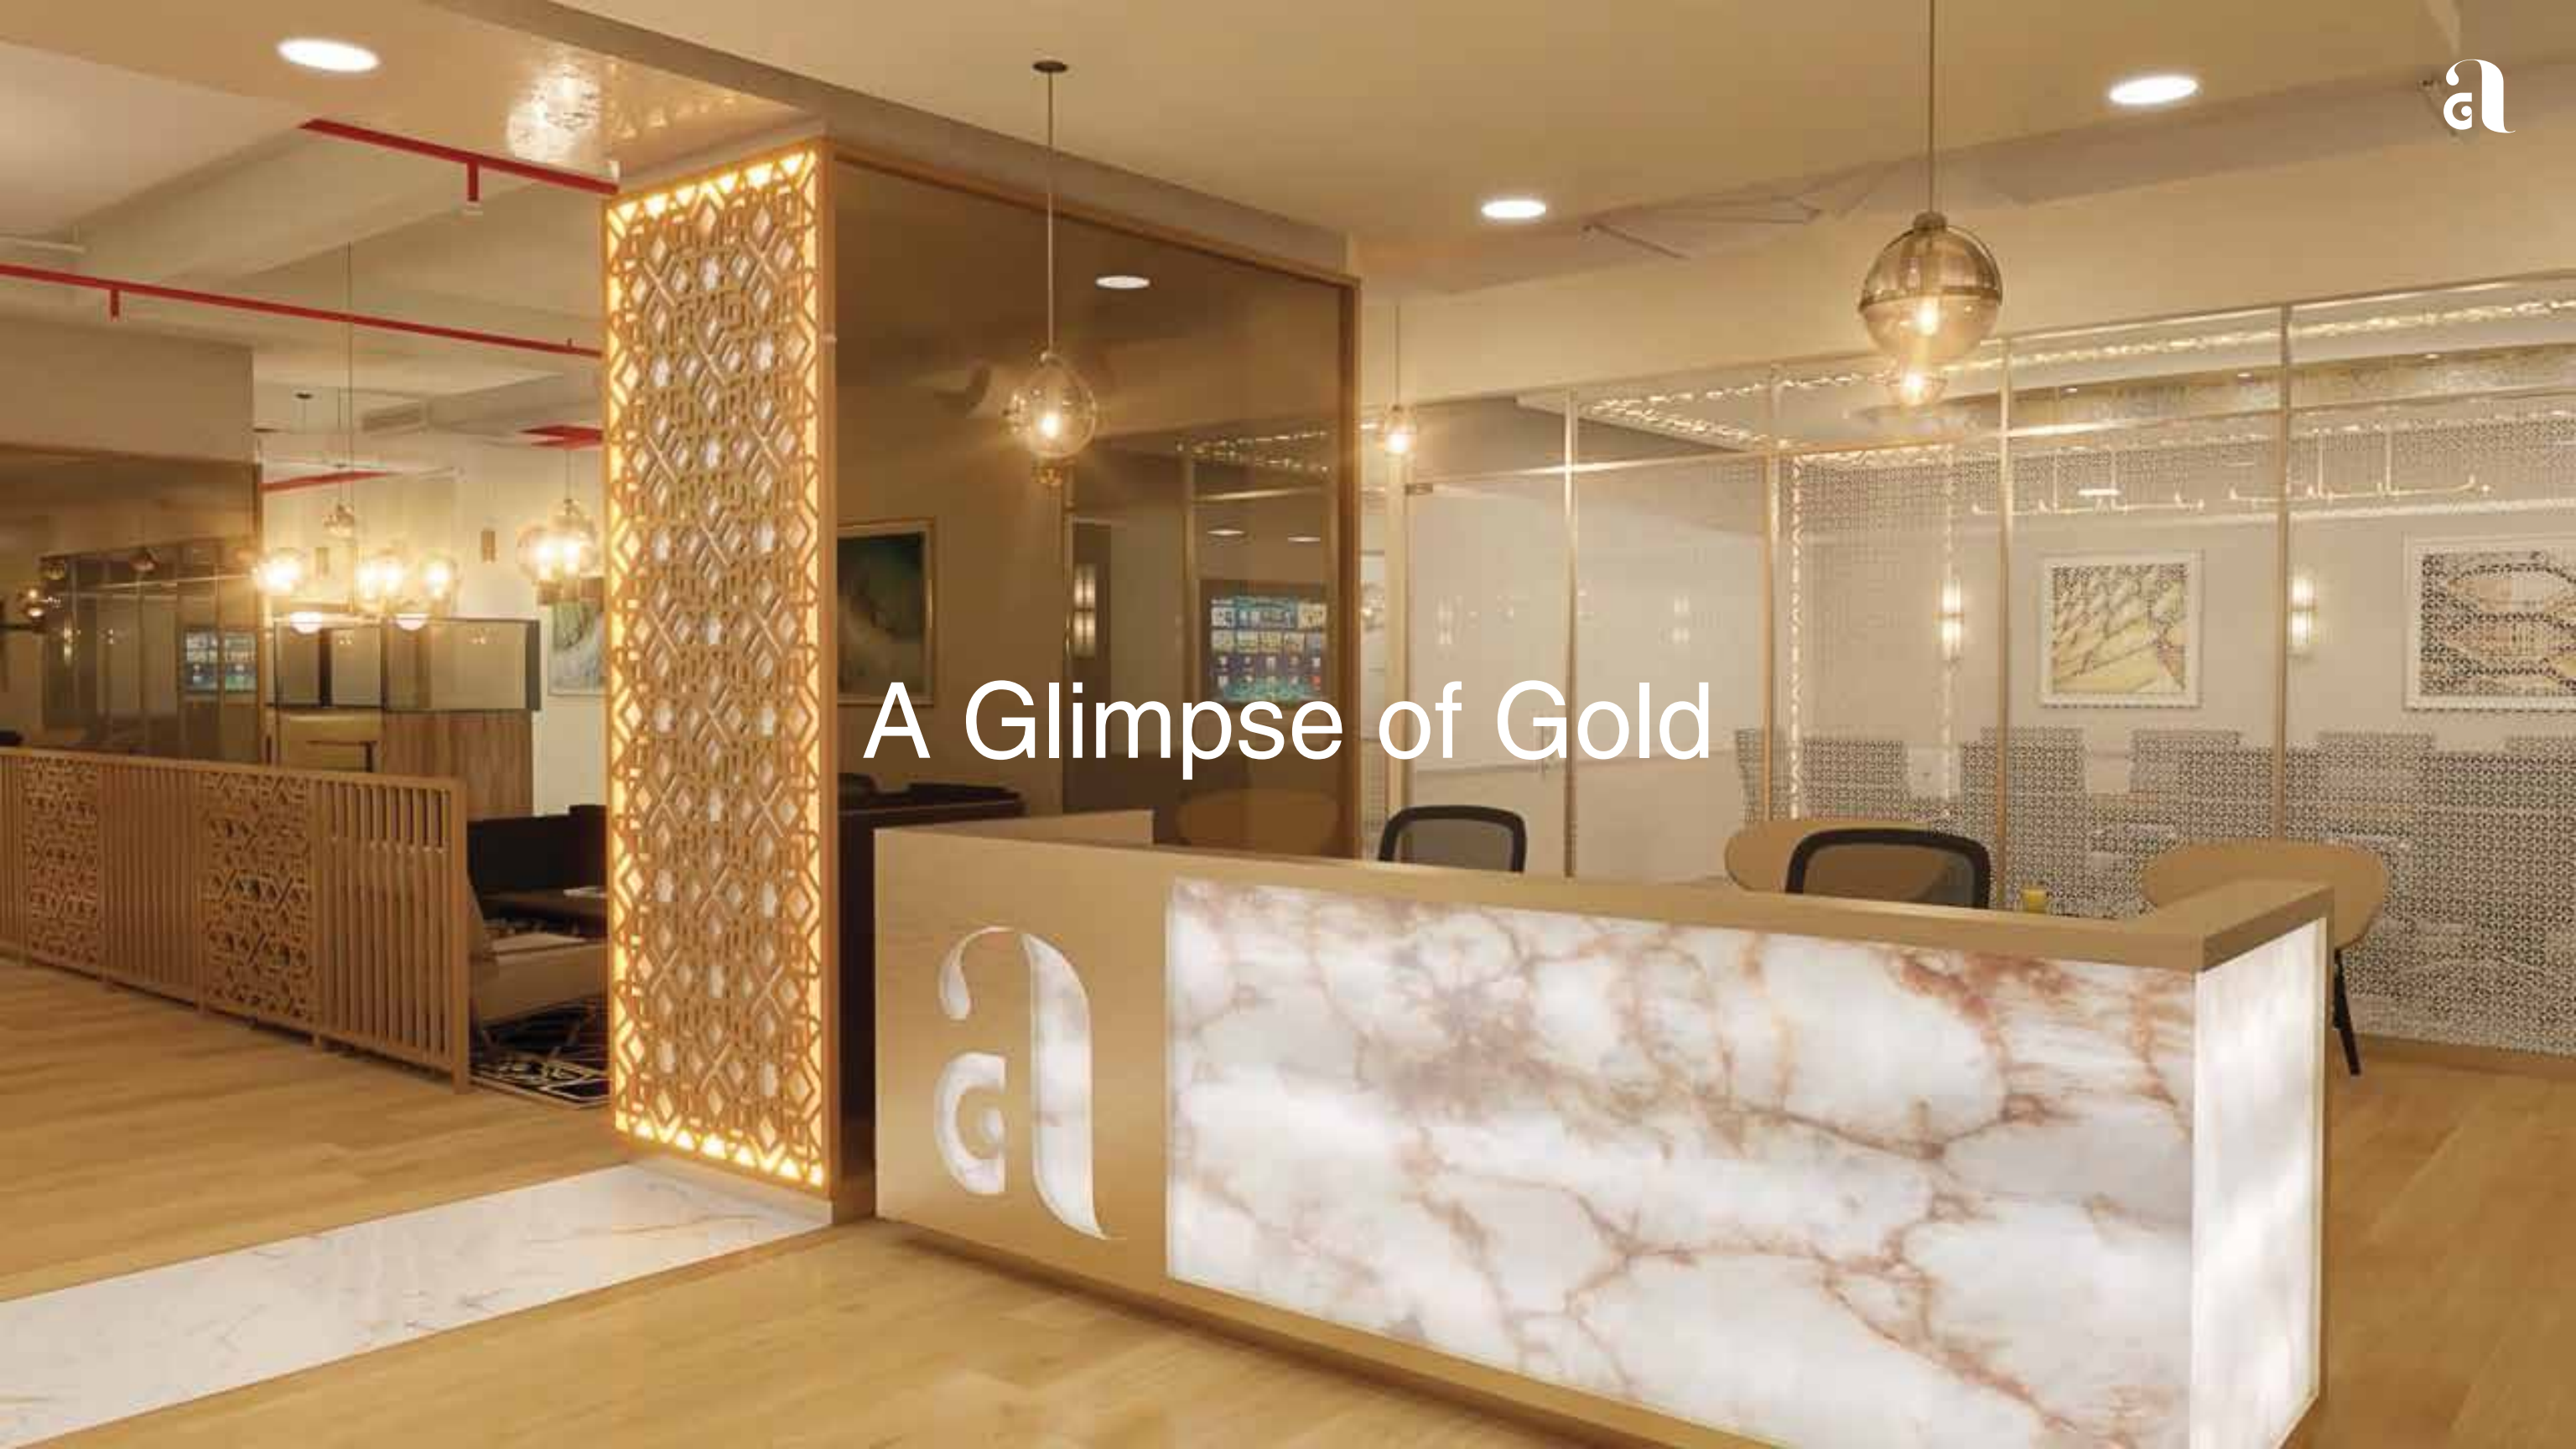

Muted colours with warm furniture, contemporary fixtures and spacious interiors provide a work environment that is as inviting as it is inspiring.

The Awfis Gold design philosophy is universal in its context with subtle elements that keep it locally grounded.
